

# Find My Love

Eric Bellinger

[Intro:]

I'm looking, looking for you  
Where you at?

[Verse 1:]

All my life I've been on my grind  
I've been doing me.  
But the time has come to find someone  
Find someone to complete everything.

Got my crib, got my ride,  
Just waiting for you to sit by my side.  
You're Bonnie, yes, me Clyde  
I've been getting ready for you.

[Chorus:]

Where you at? Where you at?  
Got me yelling baby, baby,  
Trying to find my love.  
Where you at? Where you at?  
I've been going crazy, crazy,  
Trying to find my love.

Got me looking, all day got me looking  
All night got me looking,  
All day, all night got me looking.  
Where you at? Where you at?  
Got me yelling baby, baby,  
Trying to find my love.

[Verse 2:]

Big brown eyes, sexy tight,  
I see you in my mind.  
Every night I'm a tell my time  
And show you that I need you in my life.

Got a ring, shining bright,  
Saving it for you, it's the perfect size.  
You're Bonnie, yes, me Clyde,  
You should know I'm ready for you.

[Chorus:]

Where you at? Where you at?  
Got me yelling baby, baby,  
Trying to find my love.  
Where you at? Where you at?  
I've been going crazy, crazy,  
Trying to find my love.

Got me looking, all day got me looking  
All night got me looking,  
All day, all night got me looking.  
Where you at? Where you at?  
Got me yelling baby, baby,  
Trying to find my love.
