Kiss Goodnight

Eric Bellinger

Before I let you go (ah) Can I get a kiss? (ah) Can I feel them lips? I'm talking bout the ones between yo hips Wussup? Wussup? I just wanna know right now now Before I take out out, girl I wanna know if I should be spending all of these dollar bills on you I wanna know that after we leave the club that you gon be tryna come through Wussup? Wussup? I just wanna know right now now Baby before I go can I get a kiss goodnight? Before I let you go away Can I get a kiss goodnight, baby? Just let a nigga know it's good, Let a nigga know wussup, let a nigga know it's real You can keep it one hunned hunned hunned hunned hunned Let a nigga know it's good, Let a nigga know wussup, let a nigga know it's real You can keep it one hunned hunned hunned hunned hunned hunned hunned Before I let you go Before you've been dismissed Can I put my name on it so you won't forget? Wussup? Wussup? Let me see you turn around round Baby before I go can I get a kiss goodnight? Before I let you go away Can I get a kiss goodnight, baby? Just let a nigga know it's good, Let a nigga know wussup, let a nigga know it's real You can keep it one hunned hunned hunned hunned hunned Let a nigga know it's good, Let a nigga know wussup, let a nigga know it's real You can keep it one hunned hunned hunned hunned hunned hunned hunned I said keep it one hunned I been outchea getting money And we don't really stop fo nothing But it's something bout you Got a young nigga seein red No bullshit, tell me what it's gon do Is you down for the put Party, after the club don't act brand new All them drinks she was pourin Pourin the Patrone with lime, no juice, get loose Fo I let you go I just gotta let you know You in a league Of your own Star playa In the 4th gon puck her up And kiss that bottle You don't need no cup, you don't need no luck f**k 7, you a 10, let me know wussup The sky is the limit, wait a minute Before I let you go away Can I get a kiss goodnight, baby? Just let a nigga know it's good,

Let a nigga know wussup, let a nigga know it's real You can keep it one hunned hunned hunned hunned hunned hunned Let a nigga know it's good, Let a nigga know wussup, let a nigga know it's real You can keep it one hunned hunned hunned hunned hunned hunned
