We gon' do this shit everyday, repeat
Yeah yeah yeah yeah

Feelin' some type of way with me
She never wanna leave
Repeat

I follow her on her Insta
Then later you know I slide in her DM's
She went through all of my pictures
Then you know she showed them to all of her friends
She the one I know she is
Just had to get to know the kid
Sent the addi where she leave
Damn it's getting serious

She wasn't tryna fall, at first she curved and all that
Now she can't keep from callin'
So as I hit it we did it on repeat

We gon' do this shit everyday, repeat
Yeah yeah yeah yeah
You'll be feelin' some type of way with me
Feelin' some type of way with me
She never wanna leave
Repeat
Feelin' some type of way with me

Here's a little story 'bout a woman and man who found a love y'all can't understand
You see times have changed, this ain't back in the days
Ain't no VCR, MCM's all on her page
Usually she hit the no and pass on em'
Honestly I don't know what it was
All her friends say he just like the last one
And he probably gon' run off on the plug

She wasn't tryna fall, at first she curved and all that
Now she can't keep from callin'
So as I hit it we did it on repeat

We gon' do this shit everyday, repeat
Yeah yeah yeah yeah
You'll be feelin' some type of way with me
Feelin' some type of way with me
She never wanna leave
Repeat
Feelin' some type of way with me

On repeat, this shit on repeat right now
On repeat, this shit on repeat right now
