

# Spend My Life With You

Eric Benét

I never knew such a day could come  
And I never knew such a love  
Could be inside of one

And I never knew what my life was for  
But now that you're here I know for sure

I never knew till I looked in your eyes  
I was incomplete till the day you walked into my life  
And I never knew that my heart could feel  
So precious and pure  
One love so real

Can I just see you every morning when  
I open my eyes  
Can I just feel your heart beating beside me  
Every night  
Can we just feel this way together  
Till the end of all time  
Can I just spend my life with you

Now baby the days and the weeks  
And the years will roll by  
But nothing will change the love inside  
Of you and I

And baby I'll never find any words  
That could explain  
Just how much my heart my life  
My soul you've changed

Can you run to these open arms  
When no one else understands  
Can we tell God and the whole world  
I'm your woman, and you're my man  
Can't you just feel how much I love you  
With one touch of my hand  
Can I just spend my life with you

No touch has ever felt so wonderful  
(You are incredible)  
And a deeper love I've never known  
(I'll never let you go)  
I swear this love is true  
(Now and forever to you)  
(only for you)  
To you  
Can I just see you every morning when

I open my eyes  
Can I just feel your heart beating beside me  
Every night  
Can we just feel this way together  
Till the end of all time  
Can I just spend my life with you  
Can you run to these open arms

When no one else understands  
Can we tell God and the whole world  
You're my woman, and you're my man  
Can't you just feel how much I love you  
With one touch of my hand  
Can I just spend my life with you

Can I just spend my life with you  
Can I just spend my life with you  
(Forever here with you)  
Can I just spend my life with you  
Can I just see you every morning when I  
Open my eyes
