

# It Hurts Me Too

Eric Burdon

You said you was hurtin'  
Said you almost lost your mind  
Well, the man you love  
He hurts you all the time

When things go wrong  
Go wrong with you, it hurts me too

You love him more  
When you should love him less  
Why I lick up behind him  
And take his mess

When things go wrong  
Go wrong with you, it hurts me too

You love another man  
I love only you  
But you follow behind him  
Stick to him like glue

When things go wrong  
Go wrong with you, it hurts me too

When things go wrong  
Go wrong with you, it hurts me too

He's gonna leave you  
Well, you've gotta put him down  
No, oh, I won't stand  
To see you bein' pushed around

Baby, when things go wrong  
Go wrong with you, it hurts me too

Yeah, when things go wrong  
Go wrong with you, it hurts me too
