

# Boats Against the Current

Eric Carmen

I know it's over  
You know it's over  
We're just going through the motions  
But we're sailing separate oceans, world's apart  
And you know it's breaking my heart

I was a dreamer  
You were a dreamer  
But perfection is consuming  
And it seems we're only human after all  
And we've both been taking the fall

But tomorrow, we'll run a little bit faster  
Tomorrow, we're going to find what we're after at last  
Feelings that we left in the past  
There's romance in the sunset  
We're boats against the current to the end

Maybe we're older  
Maybe we're colder  
So we disregard solutions  
While we cling to our illusions once again  
And we keep remembering when

Seasons are changing  
Oh, reasons are changing  
But the story isn't ending  
So we find ourselves pretending one more day  
Oh, while the years keep slipping away

Oh, but tomorrow, we'll run a little bit faster  
Tomorrow, we're going to find what we're after at last  
Feelings that we left in the past  
There's romance in the sunset  
We're boats against the current to the end

Oh yeah, tomorrow, we'll run a little bit faster  
Tomorrow, we're going to find what we're after at last  
Feelings that we left in the past  
There's romance in the sunset  
We're boats against the current to the end  
There's romance in the sunset  
We're boats against the current to the end

There's romance in the sunset  
We're boats against the current to the end
