

# She Did It

Eric Carmen

I set to sea on a ship called Emptiness  
Cast away on the Island of Loneliness  
Looking for love  
Ooh, and I was looking for love

You know I, I didn't think she could hear my S.O.S.  
But she appeared like an angel of tenderness  
Sent from above  
Oh, she was bringing me love

Oh, mama, she did it  
Woh mama, she did it, yeah  
Ooh, she did it  
Woh mama, she did it, yeah

Looking back, making love was meaningless  
Till she touched me with her warmth and a gentleness  
I'd never known  
Ooh, and she was guiding me home

Now I, now I see all the things in life I missed  
Till she opened up my eyes to the limitless  
Wonder of love  
Oh, and now I'm ready for love

Oh, mama, she did it  
Woh mama, she did it, yeah  
Ooh, she did it  
Mama, she did it, yeah

I never knew what love was about  
Till she came and stole away my heart  
Now I'm alive and I know it  
And all I ever want to do is show it  
Oh, oh yeah

Oh, mama, she  
Oh, mama, she  
Oh, she did it  
Woh mama, she did it, yeah  
Ooh, she did it  
Woh mama, she did it, yeah

Oh, she did it  
Woh mama, she did it, yeah  
Ooh, she did it  
Woh mama, she did it, yeah
