

# That's Rock 'N' Roll

Eric Carmen

Well I was sixteen  
And sick of school  
I didn't know what I wanted to do  
I bought a guitar  
I got the fever  
That's rock'n roll

I played at parties  
Played in bars  
I spent my money buyin' new guitars  
I screamed my heart out  
But how I loved it  
That's rock'n roll

Well, come on everybody  
Get down and get with it  
Come on everybody  
Get down and get with it  
Come on everybody  
Get down, that's rock'n roll

It's when the smokin'  
And the heat  
Have got your heart pounding right with  
The beat  
Don't try to fight it  
Just get excited  
That's rock'n roll

Well it's the roadies  
And the crowd  
It's when the band's playin' way too loud  
Your hips are shakin'  
Ain't no mistakin'  
That's rock'n roll

Well, come on everybody  
Get down and get with it  
Come on everybody  
Get down and get with it  
Come on everybody  
Get down, that's rock'n roll

Now don't you worry  
'Bout bein' a star  
It doesn't matter who or what you are  
Just get the rhythm  
And let it fill ya  
That's rock'n roll

And if you feel it  
Clap your hands  
Let's see some sweat for the boys in the band  
Now lemme hear ya  
Lemme hear ya  
That's rock'n roll

(Everybody) get down and get with it  
Come on everybody  
Get down and get with it  
Come on everybody  
Get down, that's rock'n roll
