

# Can't Take It with You

Eric Church

Never realized how much she brought to the table  
Till I went to sit my cup of coffee where the table use to be  
No cats, no bed, no heirloom antique cradle  
An' no more hope for one day startin' that family  
Bet she's gainin' fast on Memphis with a trailer-load in tow  
Who says you can't take it with you when you go

Cause she got away with everything that I had goin'  
An' she got away 'fore I could make it all alright  
An' I got away with leavin' what needs said unspoken  
Hell, I even blew the chance I had to say goodbye  
Yeah, she took her heart an' took off down that road  
An' they say you can't take it with you when you go

Good news is: ain't much here left for packin'  
Bad news is: she left behind a million memories  
All the echoes of her cryin', lovin' an' laughin'  
Left me with nothin' left to do but leave  
That ol' house is in the rear view: ridin' shotgun is her ghost  
Who says you can't take it with you when you go

Cause she got away with everything that I had goin'  
An' she got away 'fore I could make it all alright  
An' I got away with leavin' what needs said unspoken  
Hell, I even blew the chance I had to say goodbye  
Yeah, she took her heart an' took off down that road  
An' they say you can't take it with you when you go

Closin' in on Dallas, now, is the best love I've ever known  
An' they say you can't take it with you when you go
