## **Back To Where I Was**

## **Eric Hutchinson**

New life decides to come through the front door and makes us wish we'd shown respect before though i don't have much of a choice i resolve to regain my voice

if i only just begin to understand it that's because everytime i time i start to change my mind again it gets me back to where i was

new life decides we never had a clue the two of us deciding what to do though my hands are all but tied i rebound so i can say at least i tried

if i only just begin to understand it that's because everytime i time i start to change my mind again it gets me back to where i was

and long as i'm allowed i'll change my mind that's what it's fo  $\ensuremath{\mathtt{r}}$ 

i'm getting older but i'm still the same i'm just thinking anym ore

if i only just begin to understand it that's because everytime i time i start to change my mind again it gets me back to where i was it gets me back to where i was it gets me back to where i was
