

# Breakdown More

Eric Hutchinson

I can't write my words  
When I don't have you  
I can't sing my song  
When my strings won't tune  
You won't believe me  
You won't believe me crying

I can't walk my path  
When I can't stay motivated  
I can't pay my dues  
When it gets too complicated  
You won't believe me  
You won't believe me  
So you'll never see me

Give me a reason and I won't breakdown  
And if that's all that you've got  
You'd better not get caught  
I've got more in store

I can't keep my beat  
When I don't have you  
I can't shake my sins  
When you won't come through  
How could you leave me?  
How could you leave me?

(Just when you see me crying  
And I can't feel low down  
When I don't have legs to stand on  
I can't feel low down  
When I there ain't no ground to land on)

And I can't take my words  
When I can't stay down  
And I make up the words  
When they won't come around  
How could you leave me?  
How could you leave me?  
Now you'll never see me

Give me a reason and I won't breakdown  
And if it's all that you've got  
You'd better not get caught  
I've got more in store

Don't look at me and act like you're just blind  
Let's work it out before you change my mind

Give me a reason and I won't breakdown  
And if that's all that you've got  
You'd better not get caught  
I've got more in store

And I won't break down if you give me a reason  
But I got no reason so I'll just breakdown
