

OK, It's Alright With Me

Eric Hutchinson

OK it's alright with me
Some things are just meant to be
It never comes easily
And when it does I'm already gone
I'm practically never still
More likely to move until
I end up alone at will
My life continues inching along

When Bernadette comes I get lost on her time
She's much too sweet and she's always gonna be
And when I return to her arms and her eyes
It might not be the same, but it's alright with me

OK it's alright with me
Some people are scared to see
What's happening frequently
But I would never shy from a fight
Heartbeat with a high demand
Often will go hand in hand but I'm sick of just starting plans
I wanna spend the rest of my life

When Bernadette comes I get lost on her time
She's much too sweet and she's always gonna be
And when I return to her arms and her eyes
It might not be the same but it's alright with me
It's alright with me
It's alright with me
It's alright with me

OK yeah
Alright with me ooo...
It's alright with me ooo...
It's alright with me
OK is alright with me

OK is alright with me
Some things are just meant to be
It never comes easily
And when it does I'm already gone
