

## Everyday

Eric Martin

Ah it's another day  
And everything feels the same ... But  
I know everything changes  
Yeah I look around  
And I see your face turned down  
Well I think to myself  
What could be missing?  
Everybody thinks that everybody knows,  
But they won't know till you tell them so  
Everyday I'm gonna say I love you  
'Cause that's what it's all about yeah  
Everyday I'm gonna say I love you yes I do  
Ooh ooh ooh

I've always loved the way that you smile at me  
Let your love light shine on  
You never really know what you've got till it fades away  
Now I've got something to say to you  
Everybody thinks that everybody knows,  
But they won't know till you tell them so  
Everyday I'm gonna say I love you  
'Cause that's what it's all about yeah  
Everyday I'm gonna say I love you yes I do  
Ooh ooh ooh  
Every day I love you
