

# Fly

Eric Martin

Come with me and fly  
Let's fly  
Like the mourning sun  
Our dreams are bound to shine  
So come on now  
Let's try  
Come with me  
Let's fly

Standing on the edge  
Looking into forever  
The time has come for us  
It's now or never

So take my hand  
I'll show you why  
We'll take that step  
With eyes open wide

Come with me and fly  
Let's fly  
Thru the storms of life  
I'll keep you safe and dry  
And leave the past behind

Come with me and fly  
Let's fly  
Like the mourning sun  
Our dreams are bound to shine  
So come on now  
Let's try  
Come with me  
Let's fly

Look into my eyes  
Turn away from the dark sky  
I know that you are afraid  
So am I

So take my hand  
And don't you cry  
We'll take that step  
With arms open wide

Come with me and fly  
Let's fly  
Thru the storms of life  
I'll make you yell and try  
And leave the past behind

Come with me and fly  
Let's fly  
Like the mourning sun  
Our dreams are bound to shine  
So come on now  
Let's try  
Come with me

Let's fly

Far beyond the life we know  
Is the love we dreamed  
Long ago

So take my hand  
I'll show you why  
We'll take that step  
With arms open wide

Come baby, fly  
Let's fly  
Thru the storms of life  
I'll keep you safe and dry  
And leave the past behind

Come with me and fly  
Let's fly  
Like the mourning sun  
Our dreams are bound to shine  
So come on now  
Let's try  
Come with me  
Let's fly
