

Echo

Eric Saade

We always do this
It's like a bad trick
It may look cool but it burns
We are like magnets
Gravity like planets
Somehow we always return

Oh then we bounced right back
Tried to break it off
But just like that we keep being blind, so
We can't escape
We'll be coming back like an echo, echo

I don't wanna go
I don't wanna stay
We're going up and down
We're going round and round
Been here before
It's always the same
We're going to break up and then
Kiss and make up again
We are like an echo, echo, echo
Returning like an echo, echo, echo
A never ending echo, echo, echo
We are like an echo, echo, echo

Another bad fight
Another hot night
It's just like heaven and hell
Can't separate us
It's like somebody chained us
We try but can't help ourselves

Oh then we bounced right back
Tried to break it off
But just like that we keep being blocked, so
We can't escape
We'll be coming back like an echo, echo

I don't wanna go
I don't wanna stay
We're going up and down
We're going round and round
Been here before
It's always the same
We're going to break up and then
Kiss and make up again
We are like an echo, echo, echo
Returning like an echo, echo, echo
A never ending echo, echo, echo
We are like an echo, echo, echo

We always do this
It's like a bad trick
Somehow we always return
(A never ending echo, echo, echo)
We are like an echo, echo, echo

I don't wanna go
I don't wanna stay
We're going up and down
We're going round and round
Been here before
It's always the same
We're going to break up and then
Kiss and make up again

I don't wanna go
I don't wanna stay
We're going up and down
We're going round and round
Been here before
It's always the same
We're going to break up and then
Kiss and make up again
We are like an echo, echo, echo
Returning like an echo, echo, echo
A never ending echo, echo, echo
We are like an echo, echo, echo
