

In My Head

Eric Saade

In my head, in my head, in my head, in my head

Girl you could be the one for my show,
I put you on it, I put you on it.
Cuz' you're far from cool with this parts on the floor,
so put me on it, so put me on it.

And if you don't wanna go I don't wanna stay, I ain't got forever.
But you gotta know that I'm gonna wait, just to take forever.
No second parts girl you already know, I put you on it, I put you on it.

In my head, in my head you're the only one that I think good.
In my head in my head you're the only one that I dream of.

I wanna dance with you, dance with you, dance tonight.
I'm gonna dance baby flame I'm gonna flame tonight.
I wanna dance with you, dance with you, dance tonight.
I wanna dance baby flame I'm gonna flame tonight.
All night, alright, alright, alright, alright, alright, alright
all night, alright, alright, alright, alright, alright, alright

Lost in time when we move to the place,
I put you on it, I put you on it.
All the guys gonna try but I'm winning the race,
you put me on it, you put me on it.

And if you don't wanna go I don't wanna stay,
I ain't got forever you already know
that I'm gonna wait just to take forever.

Don't need to stress it but I'm feeling the go,
I make you want it, I make you want it.

In my head, in my head you're the only one that I think good.
In my head in my head you're the only one that I dream of.

I wanna dance with you, dance with you, dance tonight.
I'm gonna dance baby flame I'm gonna flame tonight.
I wanna dance with you, dance with you, dance tonight.
I'm gonna dance baby flame I'm gonna flame tonight.
All night, baby wants stay tonights, wants stay tonight all night.

Looking how we say goodnights and they're watching us, all night.
I can see it in you eyes so I'm made you blush, all night.
Looking baby in your eyes.
And it's only you and I, they won't interrupt.

In my head, in my head you're the only one that I think good.
In my head in my head you're the only one that I dream of.

I wanna dance with you, dance with you, dance tonight.
I'm gonna dance baby flame I'm gonna flame tonight.
I wanna dance with you, dance with you, dance tonight.
I'm gonna dance baby flame I'm gonna flame tonight.
All night, alright, alright, alright, alright, alright, alright
all night, alright, alright, alright, alright, alright, alright
