

# Killed By A Cop

Eric Saade

Killed by a cop  
Killed by a cop  
Killed by a cop  
Killed by a cop

There's nothing to say  
There's nowhere to go in this prison  
Locked up, she threw it away  
And I have no chance of probation  
Hate the way that you're killing, killing, killing  
Don't care how I'm feeling, feeling, feeling  
I hope someone is filming, filming, filming  
Girl, you should be ashamed

Got me chained  
Got me locked  
Think I'm free, but I'm not  
Like I'm killed by a cop  
K-k-killed by a cop  
Don't protect, you attack  
Thought that you would have my back  
I feel safe, but I'm not  
'Cause I'm killed by a cop  
I don't think you'll ever be sheriff  
So let me tell you there's no need for none of your service  
It's like I'm being killed by a cop  
K-k-killed by a cop  
K-k-killed by a cop  
K-k-killed by a cop  
It's like I'm killed by a cop  
K-k-killed by a cop  
K-k-killed by a cop  
K-k-killed by a cop

I should've known  
I've got the proof and you're guilty  
Now that your cover is blown  
I'm not the emergency exit  
I won't take what you're giving, giving, giving  
Don't care how I'm feeling, feeling, feeling  
I hope someone is filming, filming, filming  
How you threw it away

Got me chained  
Got me locked  
Think I'm free, but I'm not  
Like I'm killed by a cop  
K-k-killed by a cop  
Don't protect, you attack  
Thought that you would have my back  
I feel safe, but I'm not  
'Cause I'm killed by a cop  
I don't think you'll ever be sheriff  
So let me tell you there's no need for none of your service  
It's like I'm being killed by a cop  
K-k-killed by a cop  
K-k-killed by a cop

K-k-killed by a cop  
It's like I'm killed by a cop  
K-k-killed by a cop  
K-k-killed by a cop  
K-k-killed by a cop

You blame me like I was the bandit  
You ain't gonna be the one to take me to the ground  
You took my love for granted  
In the line of fire  
I won't let you put me down  
You have no right to remain, to remain, to remain  
You have no right to remain, to remain, to remain  
You have no right to remain, to remain, to remain  
You have no right to remain, to remain, to remain

Got me chained  
Got me locked  
Think I'm free, but I'm not  
Like I'm killed by a cop  
K-k-killed by a cop  
Don't protect, you attack  
Thought that you would have my back  
I feel safe, but I'm not  
'Cause I'm killed by a cop  
I don't think you'll ever be sheriff  
So let me tell you there's no need for none of your service  
It's like I'm being killed by a cop  
K-k-killed by a cop  
K-k-killed by a cop  
K-k-killed by a cop  
It's like I'm killed by a cop  
K-k-killed by a cop  
K-k-killed by a cop
