

# Just Another Day

Erin McCarley

Ooouu ouu ouu  
Bat, bat I bat my eyes for that  
That, that what I can't catch  
Oh, it's drivin' me crazy

Work, work I work the whole day long  
Longest ever song  
I sing it louder cause maybe

I could be the next one up the ladder  
Show for something clever

Paint the moon  
Paint the town  
Make it loud  
It's just another day

Stomach growls  
With hopes of being found  
In the crowd  
It's just another day

Lace my ties  
And cut my hair again  
I get inspired  
My mind turns off again  
Ouu It's just another

Drink, drink, I drink my whiskey neat  
Need, need to please the boy's club  
Which one of you is the leader

Numb, numb the dummy has his thumb  
Down, down on everyone  
Hey, where are all the dreamers?

I could be the next one to walk on water  
I close my eyes and stumble down the way  
It's just another day

Paint the moon  
Paint the town  
Make it loud  
It's just another day

Stomach growls  
With hopes of being found  
In the crowd  
It's just another day

Lace my ties  
And cut my hair again  
I get inspired  
My mind turns off again  
Ouu It's just another

Ou ou ou ou ou ou

Ou ou ou ou ou ou  
Ou ou ou ou ou ou  
Ou ou ou ou ou ou  
Ou ou ou ou ou ou

Paint the moon  
Paint the town  
Make it loud  
It's just another day

Stomach growls  
With hopes of being found  
In the crowd  
It's just another day

Lace my ties  
And cut my hair again  
I get inspired  
My mind turns off again  
Ouu It's just another day

Paint the moon  
Paint the town  
Make it loud  
It's just another day

Stomach growls  
With hopes of being found  
In the crowd  
It's just another day

Lace my ties  
And cut my hair again  
I get inspired  
My mind turns off again  
Ouu It's just another day  
It's just another
