

Pony (It's Ok)

Erin McCarley

You hold your head up to the sky
Ya say What kind of blue are you?
Are You?

Then you ride a pony 'round and 'round
It's diging a hole right through,
Right through

You stumble down a yellow brick road
Spinning your shoes in the air
The air

Then you, hold your breath and count to nine
Hopeing that soon somebody will find you
Find you

Go on, go on, go on, the stars are watching
Just say, just say, just say, what you're feeling
You know, you know, you know,
You gotta take a bow and do it your way
It's ok -a
La dada dadada dadada
It's ok -a
La dada dadada dadada

You're fifteen miles over the speed
You're going fast as ya can off to your daydream
Aoh
On your mark get set hurry away
You'll have a serious talk with your champagne
Aoh-a

Go on, go on, go on, the stars are watching
Just say, just say, just say, what you're feeling
You know, you know, you know,
You gotta take a bow and do it your way
It's ok -a
La dada dadada dadada
It's ok -a
La dada dadada dadada

It's time for you to prove,
Within your ruby shoes you, you deserve a smile with no regret

And look at you kicking off your shoes
Dancing for the world to see

Got the power to believe now open up and see
And go be free and fly away -aa-aaaaa

Go on, go on, go on, the stars are watching
Just say, just say, just say, what you're feeling
You know, you know, you know,
You gotta take a bow and do it your way
It's ok -a
La dada dadada dadada
It's ok -a

La dada dadada dadada

It's ok -a

La dada la dada

It's ok -a

La dada dadada dadada
