

# Sticky Sweet

Erin McCarley

Here's to who you are to me  
No wishing well could ever bring  
You celebrate my smile

You color my depressive mood  
From gray to the most brilliant blue  
Shape every tear into a candy sky

Take me home to your secret  
Take me home to your wild sanctuary

I don't wanna hold off  
Because you're sticky, you're sticky sweet on me  
I don't wanna hold off  
'Cause I'm inspired by your offbeat dreams

You make me never forget  
How it feels to be that fortunate someone  
I don't wanna, no, I don't wanna, I don't wanna hold off  
You're getting to me

There's music in my head  
Of heart shaped melodies in red  
And if this is just the start I can't wait to hear the end

The hours come and go  
As we lay wrapped up tight in your silver glow  
I've never been this content to be

Take me home to your secret  
And take me home to your wild sanctuary

I don't wanna hold off  
Because you're sticky, you're sticky sweet on me  
I don't wanna hold off  
'Cause I'm inspired by your offbeat dreams

You make me never forget  
How it feels to be that fortunate someone  
I don't wanna, no, I don't wanna, I don't wanna hold off  
You're getting to me

Can you hear the angels singing  
While you lay your hands on me?  
Can you feel the bells are ringing?  
Oh, I surrender all of me, all of me

I don't wanna hold off  
Because you're sticky, you're sticky sweet on me  
I don't wanna hold off  
'Cause I'm inspired by your offbeat dreams

You make me never forget  
How it feels to be that fortunate someone  
I don't wanna, no, I don't wanna, I don't wanna hold off  
You're getting to me

I don't wanna, no, I don't wanna, I don't wanna hold off  
You're getting to me  
I don't wanna hold off, you're sticky sweet
