

Crying Time

Ernest Tubb

Oh, it's crying time again, you're gonna leave me
I can see that faraway look in your eyes
I can tell by the way you hold me, darling
That it won't be long before it's crying time

Now they say that absence makes the heart grow fonder
And tears are only rain to make love grow
For my love for you could never grow no stronger
If I live to be a hundred years old

Oh, it's crying time again, you're gonna leave me
I can see that faraway look in your eyes
I can tell by the way you hold me, darling
That it won't be long before it's crying time

Now you say that you found someone that you love better
That's the way it's happened every time before
And as sure as sun comes up tomorrow
Crying time will start when you walk out the door

Oh, it's crying time again, you're gonna leave me
I can see that faraway look in your eyes
I can tell by the way you hold me, darling
That it won't be long before it's crying time
