

## Gone And Left Me Blues

Ernest Tubb

My weary heart for you is crying  
It knows it's payin' for its dues  
For you have left me oh so loenly  
I've got them gone and left me blues  
I know that we should be together  
Though I'm the one that's been untrue  
Please take me back and say you love me  
I've got them gone and left me blues  
Well I might have know that you'd be leavin'  
Yeah I knew you'd want your walkin' shoes  
Why did I break those vows I've promised  
And bring about these awful blues  
Don't tell me that you've found another  
My heart would never take the news  
I need you now and want you near me  
I've got them gone and left me blues
