

# I'm Movin' On

Ernest Tubb

That big eight wheeler rollin' down the track  
Means your true lovin' daddy ain't comin' back  
Cause I'm movin' on I'll soon be gone  
You were flyin' too high for my little old sky so I'm movin' on  
That big loud whistle as it blew and blew  
Said hello to the Southland we're comin' to you  
Well we're movin' on oh hear my song  
You had the laugh on me and so I've set you free and I'm movin'  
on  
Mister fireman won't you please listen to me cause I got a pret  
ty mama in Tennessee  
Keep movin' me on keep rollin' on  
So shovel the coal let this rattle a roll and keep movin' me on  
Mister engineer take that throttle in hand  
This rattler's the fastest in the southern land  
Keep movin' me on keep rollin' on  
You're gonna ease my mind put me there on time and keep rollin'  
on  
I've told you baby from time to time but you just wouldn't list  
en or pay me no mind  
Now I'm movin' on I'm rollin' gone  
You've broken your vow and it's all over now so I'm movin' on  
You switched your engine now I ain't got time for a triflin' wo  
man on my main line  
Cause I'm movin' on you done your daddy wrong  
I've warned you twice now you can settle the price cause I'm mo  
vin' on  
But some day baby when you've had your play  
You're gonna want your daddy but your daddy will say  
Keep movin' on stayed away too long  
I'm through with you too bad you're blue keep movin' on
