

I'm Sorry Now

Ernest Tubb

Because you love me I broke your heart dear
I wasn't faithful to every vow
But since we parted I found I love you
Please forgive me I'm sorry now
If you'll forgive me I'll make you happy
I'll try to show you my love somehow
For since we parted I found I love you
Please forgive me I'm sorry now
Because you love me I broke your heart dear...
If you'll forgive me I'll make you happy
