

I'm With A Crowd But So Alone

Ernest Tubb

Tonight with another I'm dancing and we're smiling at the rest
of the crowd
But I can't help wondering about you and your new love to whom
you're so proud
At night I'm never alone I'm afraid that I'll weaken and phone
And I'm afraid that you will be gone I'm with a crowd but oh so
alone

I still have the picture you gave me you signed it with love yo
u'll recall
And the one of me that you wanted isn't now hanging face to the
wall
At night I'm never alone
As long as I can keep smiling maybe I can fool the world don't
you see
And perhaps some day I'll forget you and lose this heartache th
at you left with me
At night I'm never alone
