I Wonder Where You Are Tonight

Ernest Tubb

Tonight I'm sad my heart is weary wondering if I'm wrong or right

To dream about you though you'd left me I wonder where you are tonight

Your heart was cold you never loved me although you often said you'd care

But now you've gone to find another someone who'll know the lov e I've shared

The rain is cold and slowly falling upon my window pane tonight And though your love was even colder I wonder where you are ton ight

Then came the dawn the day you left me I tried to smile with al l my might

But you could see the pain within me still lingers in my heart tonight

The rain is cold...
