My heart will break as I watch you go but your kind of love is hard to hold

It seems you and I are losing touch so I'll wish you love and h oney lots of luck

Well lots of luck and a big goodbye and you can't say I didn't try

It well could be that I tried too much

And that's why you're leaving but honey lots of luck

Now you want love and a big gold mine well that combination is hard to find

Cause money don't always walk with luck but you can go looking and honey lots of luck

Well lots of luck and a big goodbye...

Well honey lots of luck

Go on and leave now and baby lots of luck
