

Rainbow At Midnight

Ernest Tubb

After the war was over
I was coming home to you
I saw a rainbow at midnight
Out on the ocean blue

The stars in heaven were shining
The moon gave its light from above
I saw your face in this rainbow
And it made me think of our love

We'll build a home in the country
And make all our dreams come true
There we will make a heaven
Sweetheart, for just we two

Here we will live so happy
And have a baby or two
We'll name them after the rainbow
Because it reminds me of you

After this life is over
And our journey here is through
We'll move to the land of the rainbow
And live in the starry blue
