

## Rainbow At Midnight

Ernest Tubb

After the war was over  
I was coming home to you  
I saw a rainbow at midnight  
Out on the ocean blue

The stars in heaven were shining  
The moon gave its light from above  
I saw your face in this rainbow  
And it made me think of our love

We'll build a home in the country  
And make all our dreams come true  
There we will make a heaven  
Sweetheart, for just we two

Here we will live so happy  
And have a baby or two  
We'll name them after the rainbow  
Because it reminds me of you

After this life is over  
And our journey here is through  
We'll move to the land of the rainbow  
And live in the starry blue
