Sweet Thang

Ernest Tubb

I slipped out of the house about sundown While mama was a washin' her hair And you can bet your bottom dollar she'll come lookin' for me When she finds that I'm not there

And if she catches her sweet thang runnin' around I know there'll be the devil to pay She'll come blowin' like a cyclone right through that door And I can hear exactly what she'll say

Well has anybody here seen sweet thang?
I got a notion he'll be headed this a way
'Cause when my sweet thang is out tom cattin' around
He finds a sandbox like this to play

I wanna tell all you bar room roses

If my sweet thang does happen by

You'd better take my advice and if you blink more than twice

You'd better have somethin' in your eyes

I gave my baby all my money on payday

Except a little she don't know that I got

'Cause there's a cute little waitress at the corner cafe

And she seems to like me quite a lot

While we were sittin' in this back booth a havin' a talk An' she believed in every word that I said When the door blew open Loretta walked in Yellin' loud enough to wake the dead

Well has anybody here seen sweet thang?
I got a notion he'll be headed this a way
'Cause when my sweet thang is out tom cattin' around
He finds a sandbox like this to play

I wanna tell all you bar room roses

If my sweet thang does happen by

You'd better take my advice and if you blink more than twice

You'd better have somethin' in your eyes

She ain't kiddin' either You'd better take my advice and if you blink more than twice You'd better have somethin' in your eyes
