

With Tears In My Eyes

Ernest Tubb

With tears in my eyes dear I beg you to stay
You wouldn't believe me so you went away
I made a mistake dear by telling you lies now I lay awake dear
with tears in my eyes

No more to be sweethearts no more to be friends
Just give me a chance dear and I'll make commands
My yesterdays haunt me my weary heart cries
I just can't go on dear with tears in my eyes
If you ever need me oh please let me know wherever you leave me
I'm willing to go
But past is a flower that withers and dies I'll wake up tomorrow
w with tears in my eyes
With tears in my eyes dear...
