

## With Tears In My Eyes

Ernest Tubb

With tears in my eyes dear I beg you to stay  
You wouldn't believe me so you went away  
I made a mistake dear by telling you lies now I lay awake dear  
with tears in my eyes

No more to be sweethearts no more to be friends  
Just give me a chance dear and I'll make commands  
My yesterdays haunt me my weary heart cries  
I just can't go on dear with tears in my eyes  
If you ever need me oh please let me know wherever you leave me  
I'm willing to go  
But past is a flower that withers and dies I'll wake up tomorrow  
with tears in my eyes  
With tears in my eyes dear...
