

## 20 Feet Tall

Erykah Badu

My love what did I do  
to make you fall so far from me  
And now I can recall  
Cause of the fall selective memory  
Then you you built a wall  
a 20 foot wall so I couldnt see  
But if I get off my off my knees  
thenI might recall Im 20 feet tall

Im 20 feet tall (2x)

My love, what did I do  
to make you fall, so far from me  
And now, I can recall  
Cause of the fall, selective memory  
Then you, you built a wall  
a 20 foot wall so I couldnt see  
But if I get off my off my knees  
I might recall Im 20 feet tall

Im 20 feet tall (4x)
