

Boogie Nights/All Night

Erykah Badu

We gon' keep it back for y'all
Keep it back in the day
Boogie nights, wo oh oh
Boogie nights, wo oh oh
Wo oh oh oh

Come on new york
Whatcha say, come on
What they say, push it up, oh
Something's got me so excited baby
A feeling I've been holding back so long
You got me shook up, shook down, shook out
On your loving
And boy, I can't wait to get started loving you
All night long, I waited for your love to come
To the roof, to show you the groove
It's you that I love, I love
And for this loving, I'll be waiting
For your love, anticipating
Hurry I said, cause I can't wait to get it on
I'm gonna give it to ya

All night long
I'm gonna give it to ya, give it to ya, give it to ya, give it to ya
All night long
I can't wait to love you baby
I'm gonna give it to ya
I'm gonna give it to ya
I'm gonna give it to ya

Oh, something's got me so delighted baby
I see your face in everything I do
You've got me, shook up, shook down, shook out
On your lovin'
And boy, there is just no way, I'll ever, get over you
All night long, I waited for your love to come
To the roof, to show you the groove
It's you that I love, I love
Up on this rooftop, I'll be waiting
For your love, anticipating
Hurry up I said, 'cause I can't wait to get it on

All night long
I can't wait to love you baby
All night long
I wanna give it to ya, give it to ya, give it to ya, give it to ya
All night long
Come on up boy, don't be late
What I got for you won't wait
All night long
Climb up on the rooftop, don't stop
My love's waiting when you reach the top

Jamaica funk, that's what it is
Let it get into you
Jamaica funk, that's what it is
Coming from jamaica

Can you feel it
Let it get into you
Cause I feel the funk, deep down in my soul
Comin' from jamaica

All night long
I wanna give it to ya, give it to ya, give it to ya, give it to ya
All night long
I can't wait to love you baby
I'm gonna give it to ya
Swee-be-do-be-do-do do-ya
Swee-be-do-be-do-do do-ya
Alright, alright, thank you, thank you
