

# Kiss Me on My Neck

Erykah Badu

I want somebody to walk up behind me  
And kiss me on my neck and breathe on my neck  
I want somebody to walk up behind me  
And kiss me on my neck and breathe on my neck

Been such a long time  
I forgot that I was fine  
Just kiss me on my neck and breathe on my neck  
I want somebody to walk up behind me  
And kiss me on my neck and breathe on my neck

If you want to feel me  
Better be divine  
Bring me water, water for my mind  
Give me nothin  
Breathe love in my air  
Don't abuse me  
Cause these herbs are rare

If you want to feel me  
Better be divine  
Bring me water, water for my mind  
Give me nothin  
Breathe love in my air  
Don't abuse me  
Cause these herbs are rare

If you want too feel me baby  
Better be divine  
Bring me water for these flowers  
Growing out my mind

Give me nothin' just be gentle  
Breathe love in my air  
Use me, don't abuse me, love me  
Cause these herbs are rare

If you want to feel me  
Better be divine  
Bring me water, water for my mind  
Give me nothin  
Breathe love in my air  
Don't abuse me  
Cause these herbs are rare

If you want to feel me  
Better be divine  
Bring me water, water for my mind  
Give me nothin  
Breathe love in my air  
Don't abuse me  
Cause these herbs are rare

If you want to feel me  
Better be divine  
Bring me water, water for my mind  
Give me nothin

Breathe love in my air  
Don't abuse me  
Cause these herbs are rare

I want somebody to walk up behind me  
And kiss me on my neck and breathe on my neck  
I want somebody to walk up behind me  
And kiss me on my neck and breathe on my neck

Been such a long time  
I forgot that I was fine  
Just kiss me on my neck and breathe on my neck  
I want somebody to walk up behind me  
And kiss me on my neck and breathe on my neck
