Kiss Me on My Neck

Erykah Badu

I want somebody to walk up behind me And kiss me on my neck and breathe on my neck I want somebody to walk up behind me And kiss me on my neck and breathe on my neck

Been such a long time I forgot that I was fine Just kiss me on my neck and breathe on my neck I want somebody to walk up behind me And kiss me on my neck and breathe on my neck

If you want to feel me Better be divine Bring me water, water for my mind Give me nothin Breathe love in my air Don't abuse me Cause these herbs are rare

If you want to feel me Better be divine Bring me water, water for my mind Give me nothin Breathe love in my air Don't abuse me Cause these herbs are rare

If you want too feel me baby Better be divine Bring me water for these flowers Growing out my mind

Give me nothin' just be gentle Breathe love in my air Use me, don't abuse me, love me Cause these herbs are rare

If you want to feel me Better be divine Bring me water, water for my mind Give me nothin Breathe love in my air Don't abuse me Cause these herbs are rare

If you want to feel me Better be divine Bring me water, water for my mind Give me nothin Breathe love in my air Don't abuse me Cause these herbs are rare

If you want to feel me Better be divine Bring me water, water for my mind Give me nothin Breathe love in my air Don't abuse me Cause these herbs are rare

I want somebody to walk up behind me And kiss me on my neck and breathe on my neck I want somebody to walk up behind me And kiss me on my neck and breathe on my neck

Been such a long time I forgot that I was fine Just kiss me on my neck and breathe on my neck I want somebody to walk up behind me And kiss me on my neck and breathe on my neck
