

Otherside of the Game

Erykah Badu

Whatcha gonna do when they come for you
Work ain't honest but it pays the bills
What we gonna do when they come for you
Gave me the life that I came to live

Do I really
Want my baby
Brother tell me what to do
I know you got to get your hustle on
So I pray
I understand the game, sometimes
And I love you strong, but

What you gonna do when they come for you
Work ain't honest but it pays the bills
What we gonna do when they come for you
God I can't stand life withoutcha

Now, me and baby got this situation
See brotha got this complex occupation
And it ain't that he don't have education
Cause I was right there at his graduation

Now, I ain't sayin' that this life don't work
But it's me and baby that he hurts
Cause I tell him right
He thinks I'm wrong
But I love him strong

He gave me the life that I came to live
Gave me the song that I came to give
Pressure on me
But the seed had grown
I can't make it on my own
Summer came around and the flowers bloomed
He became the sun
I became the moon
Precious gifts that we both received
Or could this be make believe

Whatcha gonna do when they come for you
Work ain't honest but it pays the bills
What we gonna do when they come for you
Gave me the life that I came to live

Don't you worry I know there's confusion
God's gonna see us through
Peace out to revolution
But we paid though

Don't you worry, I know there's confusion
The work ain't honest but it pays the bills
Don't you worry
Gave me the life that I came to live
Don't you worry
The work ain't honest but it pays the bills
Don't you worry
