I'm a Southern Girl

Home of the burning church

Don't know much about the world

Home of the pocket stones

Home of the booty songs

Home of the fingerwave that lasts

All night long

Home of the On & On

Home of the dominoes

Home of the two piece and a pepper

Home of the teeth is gold

Home of the Never Miss

Home of the platinum hits

I'm a Southern Girl

(Southern Girl)

Countryfied

Everything I eat is fried

Got a Southern drawl

I'm so country, y'all

Well that's way down South

Yeah it's way down low

Check my Southern-fried style

And my Southern flow

(Southern Girl)

Countryfied

I like my Tofu fried

Got about a hundred friends

That ain't caught on the trends

Don't know about the Internet

Don't know about the radio

Don't know about the television

All I know is 'bout my flow

My kin folks snet me out

To make money for the house

Hooked up with my boy, Rahzel

I sure hope the record sell

(Southern Girl)

Southern Girl, and I'll rock your world

Fly as a bumble bee (Buzz)

Can't nobody f*** with me

I'm a Southern Girl

From way down South

Got a dirty way

'Cause I got a dirty mouth, dirty South
