

## Picture Perfect

### Escape the Fate

You lived your life like you were on fire  
But how could I dance when your soul just lifted me  
Higher and higher and higher  
Paint bleeds, ink runs, image of your love  
Your memory, our history  
(Why did you have to go?)

I'd give up my eyes, to see you one last time  
And I'd give all my fingertips to touch you  
And I could paint you picture perfect  
Even if I were blinded  
But you have to die for me to see how to live

(For me to see how, for me to see how oh, for me to see how, fo  
r me to see how oh)

I live my life hiding in shadows but now  
I can see 'cause your soul is lifting me  
Higher and higher and higher  
Paint bleeds I can't breathe, need you here with me  
Close my eyes I can feel you close  
Why did you have to go?

I'd give up my eyes, to see you one last time  
And I'd give all my fingertips to touch you  
And I could paint you picture perfect  
Even if I were blinded  
But you have to die  
For me to see how to live

Angels fall, it's not your fault  
Time goes on without you (without you)  
Goodbye old friend, we'll meet again  
Life goes on without you

(Why did you have to go?)

I'd give up my eyes, to see you one last time  
And I'd give all my fingertips to touch you  
And I could paint you picture perfect  
Even if I were blinded  
But you have to die for me to see how to live

(For me to see how, for me to see how oh, for me to see how, fo  
r me to see how oh)

(For me to see how, for me to see how to live, for me to see ho  
w, for me to see how, oh)
