

## Can I Count On You ?

### Escape With Romeo

When the clouds break out with heavy roar  
can I count on you ?  
with bad dreams in my sleep at night  
and I know that they're all true

Can I count on you ?  
when the roof is cracked and the rain comes through  
Can I count on you ?  
caged like an animal in a zoo

when the war is over and the zombies come home  
can I count on you ?  
when they knock at my door and I'm all alone  
can I count on you ?

when I lose my bearings in the wilderness  
Can I count on you ?  
close to heaven but denied access

Can I count on you ?  
Can I count on you ?
