

Why do I always come back
into my lonely room
all that I smell here
is her perfume
Man and woman in different cages
kill the tristesse that's been for ages

Lovesick
and I don't like it
I'm just lovesick
and I don't like it

When I see lovers kiss
I just think about us
Always trapped by your face
it's all that I miss
I've crossed a bridge
and jumped on a train
looking for something
to make me happy again

Lovesick
and I don't like it
I'm just lovesick
and I don't like it

Some people, they take drugs
but I'm addicted to you
at the end of the day
it makes me feel so blue
But as the sun breaks through
a wall of tears
I'm gonna sing a song
that someone hears
and it's called.....

Lovesick
and I don't like it
I'm just lovesick
and I don't like it
