Left hand bust the roscoe, right hand hold the whip steady

This ones for the boys from the darkest corners
To the streets of Hell. These boys ain't no foreigners
And warrin' is every day, and the cost ain't soft
Even when they miss, you still get a shoulder blown off
This ones for the boys who chew hollow tips like gum
And wash it down with everclear cause the care ain't there
And these boys be the bad guys, and cant switch

And I got your chick on the tip of this dick
Now she taking it in, sinking it in, her titties I'm shakin them, and

Then I'm a be busting my gun
This ones for the boys saying fuck the "5-0"
Fuck the 5-0 when it's all about survival
Talkin to my pistol don't help
My shotgun said "blasphemy" until I shot on myself
This one's for the money figures
The go-getters, ice-rockers
Twenty-four seven non-stoppers
This ones for the pill poppers

This one's for the people livin down in them sewer pipes
Makin a living off of all that aint right
And this is for them witches that was tied to stakes
And for the killers that have seen me after death shakes
And them peddlers on the corner when it's ice-cold
And dead bobies on the side of the road
This is for that part of the city that everybody warns about
Where throats get torn out
