Every crew wit' murder cravin' done flapped off just like the 'Raven'  
Played 'em before I slayed 'em  
These fake ass niggaz, I hate 'em  
Just like cop'ers when they raiding, grab the AK then I sprayed 'em  
Made 'em get on the floor then reload and K'ed 'em some more  
Niggaz wanna kill me in my sleep, that's why I sleep wit' the uzi for

My uzi weighs a ton and my guns they won't jam for no one
