

# If I Can't Have U

Esham

(I'm gon kill that bitch  
Why you do this to me baby?  
Somethin's wrong, somethin's definitely wrong  
Somethin's wrong)

Early Sunday morning I woke up from my sleep  
My bitch was on the creep  
And shit was gettin knee deep  
I looked up at the clock, it said 12:02  
And ain't no tellin what I'm bout to do  
I thought she knew  
Animalistic nigga out the zoo  
Crazy, oh it's true  
Call my bitch boo  
I jumped up out the bed, I saw her panties on the flo'  
Got visions of a nigga fuckin my ho  
At the mo-mo  
I left up out the house, my mind was still in a daze  
I left the street sweeper, dragged around in a rage  
Paranoid, I betta calm down fo' i bust  
12:30 in the mornin, thinkin who can I trust?  
Cuz I know she with that nigga that I saw in my dream  
And once I catch the bitch, I'ma make the ho scream  
So now I walk around with the gauge in my hand  
Cuz my bitch sucks the dick of some other man  
And

If I can't have you.....no nigga can....and (2x)

I smell pussy all the way from up the block  
As I walk  
Schizophrenic, as the voices in my head start to talk, sayin  
(You know yo bitch fuckin that nigga,  
you know yo bitch fuckin that nigga  
You know yo bitch fuckin that nigga,  
YOU KNOW YO BITCH FUCKIN THAT NIGGA)  
Damn--I end up at the Motel 6  
I see my car parked in front, visions of pussies and dicks  
I thought my dick was the only dick she sucked,  
the only nigga she fucked  
I guess I was wrong, then my mind got gone  
It was on  
Metamorphasize, now she dies  
Dr. Jekyll turns into Mr. Hyde  
I ran to the room with the strongest pussy fumes  
Comin through the do', didn't know what was in sto'  
I kicked the do' open...oh shit, guess what I saw?  
Eazy-E, was fuckin my bitch raw--AW

(Not Eazy, not EAZY!!)

If I can't have you, no nigga can (2x)

(Baby.....baby.....I gotta kill my bitch--I'm gon miss her)
