Perpetration

Esham

Too much perpin' it aint workin
Say ya gettin pussy but ya dick ya jerkin
Niggaz be frontin, tellin lies to these ho's
That's how it goes, well I suppose
They like it, they want it, shake it and flaunt it
Tease em and skeeze em, some never please em
To be the coolest, I think it's foolish
Niggaz they lyin, perpin' and tryin
I think it's foolish some nigga just died
Perped to ho's and ya dont know why
For goodness sake, for your sake, for anybody's sake
Nigga, you fake.

Friends...always make ends
Back in the day I had Adidas top tens
Pony down, cant fuck around
Niggaz get shot down in Motown
Boy we was down since day one G
Bought yourself a key, now you dont know me
Gotta little money now your attitudes funny
Pockets like sunshine always sunny
Treat me funny, man go figga
You can take the nigga out the ghetto
But not the ghetto out the nigga
Niggaz get funny, when they get money
Perpin' on yo homie
Now you wanna be fake, be fake
But when your broke ya break, brotha
I aint got no love fo' ya
'cause you be perpin' man

Perpetration, same situation
Perpetration, same situation
Perpetration, same situation
Perpetration, same situation

Lemme tell ya bout a bitch
A bitch aint nothin, 24/7 all they good for is fuckin
And once they get inside your head
Man you'd rather be dead, 'cause it'll drive you nuts
And I aint frontin, I aint frontin on that ho shit
You sayin "Oh shit" just because I know shit
Pussy's like crack and it'll have a nigga hooked
Have a nigga slippin, shit get's over looked
A bitch a tell you "I love you" in a minute
And then the next day anotha niggaz up in it
Fuckin your woman, nuttin on her belly
Tellin you about the peanut butter and the jelly
Damn, how a nigga know about that?
Anotha dog done went and chased that cat
And now you feelin dumb, and full of frustration
'cause your bitch was perpin'
