

Baby (T.U.M.H.)

Eskimo Callboy

Let's go!
Baby, I need a chance to make you understand.
I live my life for you till the bitter end.
I confessed my love to you.
In my dreams I have faith that you feel it too.

All my life I've been into you.
So take a deep breath when I say to you:
Baby, I just wanna make it stop.
Right now!
This chase took a big part of me, but you never really cared.
You are the one that I wanna spend my life with.

It's tearing up my heart when I'm with you.
But when we are apart I feel it too.
And no matter what I do, I feel the pain.
With or without you.

So tell me, how can I make you feel my love?
When will I be the one that you're dreaming of?
This love is more than I ever felt before.
And I know you're the one that is worth fighting for.

All my life I've been into you.
So take a deep breath when I say to you:
Baby, I just wanna make it stop.
Right now!
This chase took a big part of me,
but you never really cared.
You are the one that I wanna spend my life with.

It's tearing up my heart when I'm with you.
But when we are apart I feel it too.
And no matter what I do, I feel the pain.
With or without you.

Tearin' up my heart and soul.
We're apart I feel it too.
And no matter what I do I feel the pain.
With or without you. [x2]

It's tearing up my heart
It's tearing up my heart
It's tearing up my heart when I'm with you.
But when we are apart I feel it too.
And no matter what I do, I feel the pain.
With or without you.

It's tearing up my heart when I'm with you.
But when we are apart I feel it too.
And no matter what I do, I feel the pain.
With or without you.

Let's go!
No matter what I do, I feel the pain!
