

# Blood Red Lips

Eskimo Callboy

I fell in love with her blood red lips.  
I went crazy when she moved her hips.  
I wanna fuck her. She wants to fuck me  
Cause I'm her lover and she's my lady.  
The conversation start'd in a bar  
When I spilled my beer in her bra.  
She yelled at me and we started to fight.  
That moment I knew that we will fuck for sure tonight.  
Oh, I'm not a believer.  
But after six tequilas I knew that we're soulmates.  
She took me home and she took off her clothes.  
I knew that tonight we're going deeper and deeper.

I never felt this way before  
'Cause you're the girl that I adore.  
I fell in love with you.  
I fell in love with you again.  
I never felt this way before.  
I need your love and I want more.  
I fell in love with you.  
I fell in love with you again.

This was the best night of my life.  
This was the best night of my whole fucking life.

It's been an unforgettable night.  
Such a beauty in my arms.  
Made all my wet dreams come true.  
But the morning after I looked next to me  
And reality hit me hard

'Cause there's a problem that I'm scared to describe.  
My prom queen changed into a granny that night.  
Saggy tits, fake teeth scared the shit out of me.  
Oh, I fucked a zombie barbie.  
Please God help me  
'cause she makes me feel like I never felt before.  
It's hard to admit she made me feel like a man  
And it's still disgusting but I don't give a

I don't give a fuck, I don't give a fuck, I don't give a fuck.  
I don't give a fuck, I don't give a fuck, I don't give a fuck.

And everything she's got is more than I've ever wished.  
She's a sexmachine. God's most beautiful gift.  
She fucks as wild as an alligator  
But after 15 mins I have to reanimate her.  
Ohh and she's my movie star  
Even if our romance is just more than bizarre.  
It's a crazy story but the end is so sad.  
My sweet granny princess fell in love with the death.

I gave my best for you.  
I was searching for someone like you.  
I gave my best for you.  
I've been wishing this dream was true.

I don't care what they say.  
Just stay by my side, baby.  
You are the only one.  
This is what I feel for you.  
I don't care what they say  
'cause you're the only one.  
You are the one for me  
And I just fucking love you cause  
I don't give a fuck about superficiality  
Because true beauty comes from the heart.
