

Is Anyone Up

Eskimo Callboy

And I tell you I'm sorry girl
it was nothing personal
is anyone up?
is anyone up?
your pussy
your boobies
on the world wide web

Girl it's nothing personal
I'm sorry for this
but I think you fuck anal so well
that everybody should know

Your pussy deserves much more attention
than I could give to you

You said that I'd be the only one
-you are nothing more than a folder on my harddisk
and you are nothing more than the guys I've met before
-fuck you little whore I've got your cunt in HD

And I tell you I'm sorry girl
it was nothing personal
is anyone up?
is anyone up?
your pussy
your boobies
on the world wide web

Oh lord, shame on me!
gnargoyles everywhere
I've lost my ability
to infactuate hot chicks

You never will expose a girl again
your daddy will be proud of his stupid little girl
shut the fuck up
tonight I'm on a photo date
with the highschool-sexgrenade

And I tell you I'm sorry girl
it was nothing personal
is anyone up?
is anyone up?
your pussy
your boobies
on the world wide web

I've seen a lot of boobies
I've seen a lot of cunts
as long as there are hot chicks
there'll be always men that hunt

#NBHNC
means a lot to me
we cannot stop to stare
so put your ass up in the air
