

Don't Let Me Down

Eskimo Joe

Every time I wake up on my own
I say a little prayer to bring you home
I know you won't
I know you won't
You won't let me down
Don't let me down

Nobody gonna sleep tonight
Nobody gonna see you if you hide
Nobody got second sight
Nobody gonna see the light

All our hopes and all our dreams
And as the baby screams
Don't let me down
Don't let me down

I know you won't
I know you won't
I know you won't
You won't let me

Every time I wake up on my own
I say a little prayer to bring you home
I know you won't
I know you won't
You won't let me down

Don't let me down

No need to get so uptight
Nobody gonna start a fight tonight
It doesn't matter if we make it right
All that matters is we just turn out the light

Some little things make you understand
Some little things you never give a damn

Go to sleep at three am
And as the baby screams
Don't let me

I know you won't
I know you won't
I know you won't
You won't let me

Every time I wake up on my own
I say a little prayer to bring you home
I know you won't
I know you won't
You won't let me
You won't let me down

All I want is you to stay
So tell me why I act this way
Some little things that make you understand

Some little things you never give a damn
Some little things that I can never change
Some little things will never be the same for me

Every time I wake up on my own
I say a little prayer to bring you home
Every time I wake up on my own
I say a little prayer to bring you home
