

How Was I To Know

Eskimo Joe

Oh you got me, now try and stop me, I'm running again
You better run rabbit, run rabbit, run and tell me is it the end?

All these reasons, you will always be the one but I'm gone
All these demons, who are you to tell me what to do when I'm wrong?
And I'm always going wrong

How was I to know, I'd make you go, well you're better off on your own
How was I to know, you'd take your time, but you better not take too long
Cause I've never been on my own

All the weekends that we believed in are coming again
You'd better run for the fun 'til it's gone
And tell me is it the end?

All these reasons you will always be the one but I'm gone
All these demons, who are you to tell me what to do when I'm wrong?
And I'm always going wrong

How was I to know, I'd make you go, well you're better off on your own
How was I to know, you'd take your time, but you'd better not take too long
Cause I've never been on my own

How was I to know, I'd make you go, well you're better off on your own
How was I to know, you'd be taking your time, but you'd better not take too long
How was I to know, how was I to know?
If I've never been on my own
